

Consulting is tying up our cash: DSO of 130 days vs 40 for Tax

₹5.7 cr

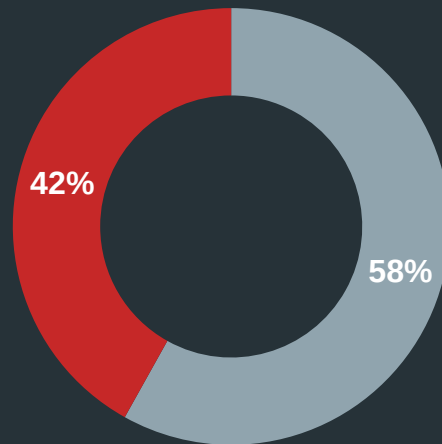

Total outstanding

78 days

Overall DSO

58%

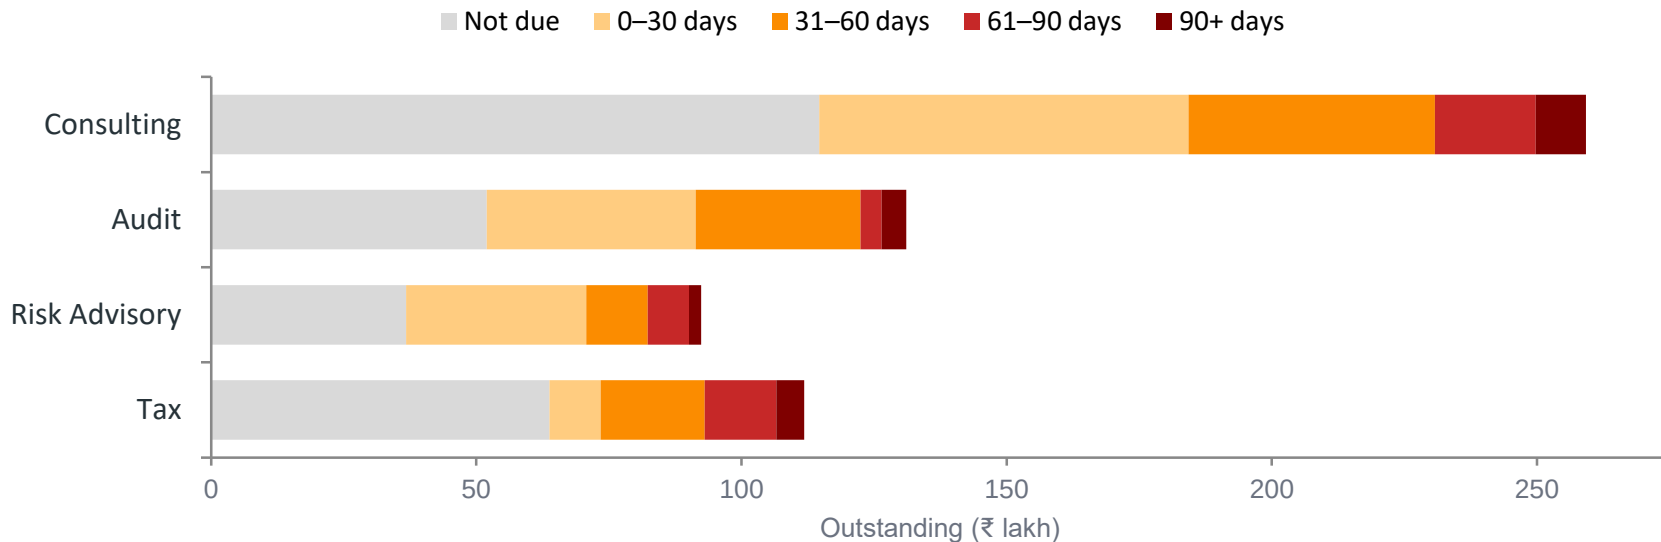

Collection efficiency

■ Collected ■ Not yet collected

₹5.7 crore billed but not yet received, as of 30 Sep 2026.

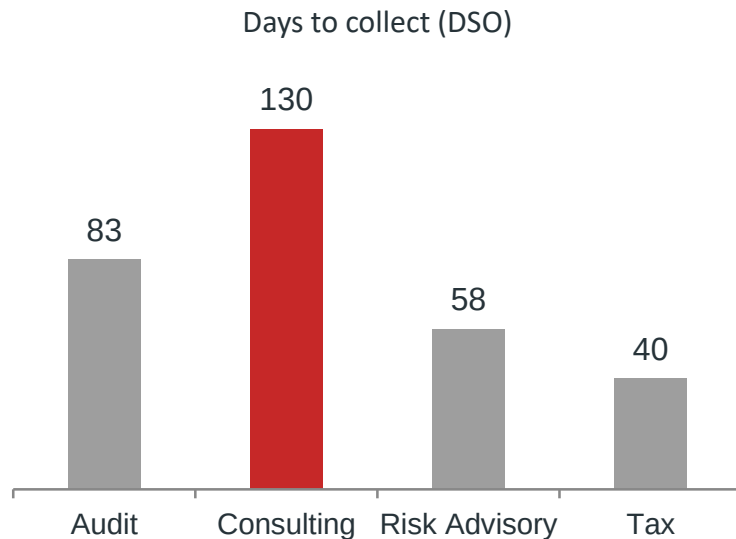

Consulting holds the largest share of overdue money

Consulting has ₹9.5 lakh overdue 90+ days, the most of any team, and ₹2.6 crore outstanding in total.

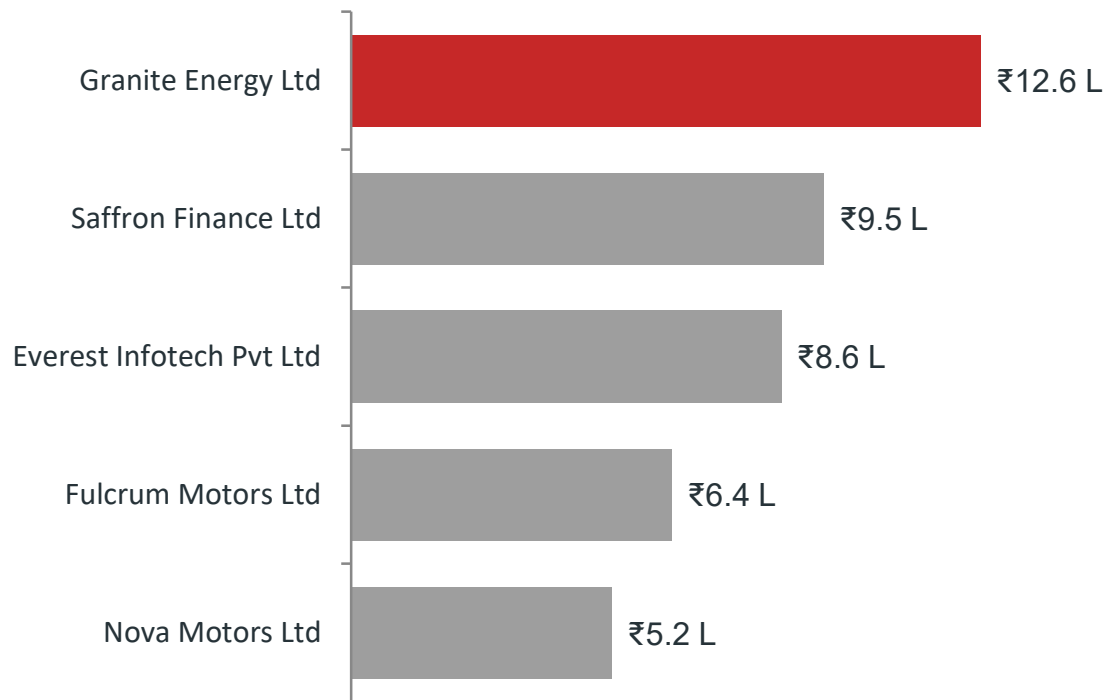

Consulting bills well per person but collects the slowest

Service line	Billing ÷ Cost	Efficiency	DSO (days)
Audit	1.24x	55%	83
Consulting	1.27x	29%	130
Risk Advisory	1.20x	68%	58
Tax	1.66x	81%	40

Earning isn't the problem; collecting is. Consulting earns 1.27x its people cost but converts only ~29% of billing into cash.

Five clients account for most of the 60+ day overdue amount

₹12.6 L

Granite Energy is #1. Start here.

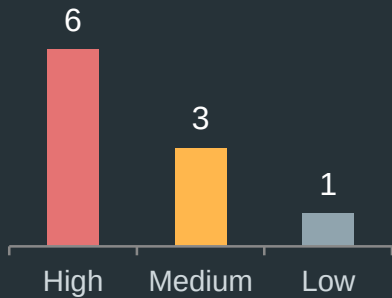

~64%

of all 60+ day overdue money sits
with these five clients.

10 data issues found; 8 remain open before next month's MIS

12 automated checks run · 3 passed · 9 failed · 10 issues logged

Issues by severity

Top high-severity issues

- ₹11.4 L received against an invoice with no amount
- ₹4.5 L invoice linked to no engagement
- ₹3.0 L receipt with no matching invoice

2 issues (duplicate employee, inconsistent team names) are already handled inside the MIS.

Recommended actions

- 1 Consulting partners review the top 5 overdue accounts this week.
- 2 Finance resolves the open issues: ₹3 L unmatched receipt, ₹4.5 L unmapped invoice, ₹2.5 L overpayment.
- 3 Run the MIS check monthly and track DSO in Monthly_Log.
